Customer care number 1-806-642-0678

Why this matters

Utility bill scams are common. Fraudulent numbers may:

- Ask for immediate payment under pressure
- Request unusual payment methods (gift cards, wire transfers)
- Collect your personal or banking information

Safer approach

To pay your bill securely:

- Go directly to the official website of Xcel Energy and log in
- Or use the verified phone number listed on your **actual bill or account portal**
- Avoid calling numbers from random messages or unverified sources
